Massage By AIDA (M.B.A.) expands nationally to provide services during major sports and charity events. President of M.B.A. Aida Horvath is a professional sports concierge who provides massage therapy nationwide. Aida Horvath is a native of Havana, Cuba who was raised in Arizona where she began her career as a licensed massage therapist. Horvath studied Nursing, Liberal Arts, and Fine Arts at Arizona State University. Aida recently relocated from Arizona to Atlanta and has become recognized as a leader in the communities. Aida's vast educational and professional backgrounds with over 10 years as a therapist, separate her from other services without comparison. She is diverse as a bilingual Spanish & English business. Aida's fluid rhythm as a pianist and guitarist with the use of her hands gives her an edge in massage therapy. Aida has a variety of training that includes medical orthopedic massage, sports stretching, neuromuscular techniques, and Indian Head Massage. AIDA is available for travel to on-location for golf tournaments, VIP outings, receptions, trade shows and conventions.

Massage By AIDA Is The Official Sports Concierge For Major Sports, Film and Music Events. Publicist and Marketing Director David Mims of Det2LA-MIMS/ALOE Group collaborates with Aida Horvath President of Massage By AIDA. Massage By AIDA is one of Metro-Atlanta's Top Sports Concierge Services, the firm is produced by Aida Horvath. ALOE-Det2LA MIMS specializes in luxury lifestyle, corporate concierge services and assist elite clients nationwide. They assist high-profile individuals with a range of services, including domestic arrangements, special events, personal assistants, spa services and complete entertainment packages. During The American Football Coaches Convention, Pro Bowl and Miami Super Bowl events, they are providing services such as pre and post bowl event tickets, house rentals, transportation, and A to Z services to accommodate professionals. ALOE- Det2LA MIMS provide an array of services so that their clients can breath. They have pay as you go services to set-rates, and rates vary based on budget, and domestic tour packages are based on budget that includes travel and accommodations.

Aida has worked with VIP-celebrity clients, hospitality therapist for Arizona Superbowl , film crew production, open house hospitality, theme and special events. Several professional athletes from all sports have benefited from her services that include: marathon runners, power lifters, football players, basketball players, golfers and other sports professionals. Dick Butkus, Luis Rodriguez, and Christian Okoye, to name a few former athletes that have utilized and recommend her services nationwide. National music and entertainment industry professionals such as Steve Miller, Gypsy Kings, Jeff Pilson of Foreigner, Neil Giraldo (Pat Benatar's Band), and Nickelback, are a small list of celebrities that have been treated by her royalty. Aida also caters to actors/bands/musicians/celebrities in Metro-Atlanta and nationwide. **AIDA's credentials of past and present affiliations of various national organizations include:** APA league pool player, LMT in GA and AZ, AZ School of Massage Therapy CMT , ISSA Fitness Trainer-national personal training institute, Massage Therapist Athletic Club Northeast, Go Massage, Elite Private Massage Therapy Group, Georgia Film-Video & Digital Ent Source Book 2010, FORE Networking-Golf & Business Group, American Medical Association, Linked-Golfers, Stress Station, Az Corp Commission, and Lewis & Roca Attorneys.

The focused attention of Aida's techniques is on muscle groups that are less of a risk for muscle tears, pulls, and spasms. M.B.A. provides soothing relief of soreness and faster recovery by re-aligning the muscles to corresponding bone foundation. She uses structural integration techniques, and simple quick adjustments to get you back to optimal condition. When muscles are tight, freedom to move is restricted when needed to perform in sports. Massage By Aida does not require a lot of down time and AIDA's techniques unlock stiff and sore muscles to get you back in the game with comfortable movement. M.B.A. provides a specialty for golfers that stimulate tendons of key muscle groups that give more flexibility of shoulder girdle and adds distance to their drive. AIDA's massages provide more muscle strength for greater endurance and power to your swing.
